Dear Location Managers, Assistant Location Managers, Scouts and the BC Film Commission:

The City of New Westminister is pleased to announce that Scott Harper has become our new Film Coordinator. Many of you will know Scott based on his 20 years of experience as a Location Manager in the BC film community.

New Westminister offers many attractive 'looks' to the film community and through Scott's leadership, our goal is to accommodate more filming in New Westminister. Scott's experience combined with New Westminister desire to increase its filming portfolio will help serve your needs as well as the BC filming community. If you are looking for a location, give Scott a call and he will be happy to help.

Please help me in welcoming Scott to his new position. Scott can be reached by phone, 604.527.4613, cellular 604.841.4386 and email [sharper@newwestcity.ca](mailto:sharper@newwestcity.ca). Scott's office will be located in the Parks, Culture & Recreation Administration office with the address available below.

Thank you.
