THE ROUNDHOUSE

(181 Roundhouse Mews)

The 2010 Motion Picture & New Media Career Expo offers a rare point of access to the people, organizations, and companies that make the Industry tick! Established professionals, crew, students and newcomers alike can gather information about everything from career paths & new technologies, to services, training and facilities.

Don't miss this opportunity to speak to the many Industry representatives who will be on hand to answer your questions, and learn more about what opportunities this dynamic Industry has to offer. Career Expo 2010 will help provide you with the necessary tools to launch your career, or make that transition to another area of the Industry that you've been considering.
