

Reel Green BC serves as a gateway to information and resources that promote positive environmental practices in BC's film and television production industry.

Art/Set Dec/Construction

- ★ Sell or donate unwanted set materials to local theatres, high schools, acting schools or other productions before opting for disposal
- ★ Support charities that are willing to pick up, recycle and reuse materials
- ★ Where appropriate select paint and products with environmentally friendly labels
- ★ Dispose of paints and other hazardous materials in a responsible manner, e.g. returning paints to retailers, storing paints for future use
- ★ Do not allow paint or residuals from washing paint brushes to enter storm drains
- ★ Use recycled wood or wood from managed forests (Avoid Old Growth or endangered species)
- ★ Rent or lease larger items such as furniture and computers as an alternative to purchasing

If you have any other suggestions, please email additional best practices or good news stories of environmental stewardship to info@bcfilmcommission.com
