

Reel Green BC serves as a gateway to information and resources that promote positive environmental practices in BC's film and television production industry.

Special Effects & Stunts

- ★ Reduce environmental impacts by using water based smoke fluids
- ★ Where possible, use propane rather than liquid fuel for fire effects
- ★ Recycle scrap steel and aluminum
- ★ Refer to Material Safety Data Sheets (MSDS) for artificial snow products

If you have any other suggestions, please email additional best practices or good news stories of environmental stewardship to info@bcfilmcommission.com
